Your Case Study

Case Study Title:

Please provide background information to help set the scene about this Case Study, detailing what the situation was and any events leading up to the situation.

What happened during the Case Study situation? Which geographical areas were affected, who was involved, what took place, when?

What worked well?

What didn't go as expected?

What were the main learning outcomes, benefits and achievements?

Any other information you wish to include?

Can you provide any resources to support this Case Study? E.g. images, multimedia, quotes, etc.

Terms and Conditions

- By submitting a Case Study, the Author consents to the content and additional material provided:
 - being used as required for the use of the MaSC Project. The Author should indicate if any details contained in the Case Study should not to be publicly disclosed;
 - being edited as required for the purpose of clarity and integration with other content included in the MaSC Guidance;
 - is accurate, not defamatory, abusive or offensive, does not infringe copyright, moral right, performing rights, rights of privacy, trade mark or other proprietary right of any third party, constitute a misuse of any confidential information of a third party; advertise, promote or endorse any products or services;
 - can be shared between members of the MaSC Project Team and MaSC partner agencies for the purpose of the MaSC Project.
- Authors should own, have lawful permission or have sought consent to use and provide the content and material contained in the Case Study which permits the content and material to be used by the MaSC Project.
- Personal information provided will be used, stored and maintained in accordance with UK and European data protection regulations. Details will be held for a reasonable period for the sole purpose of the MaSC Project.
- Case Studies will be accredited to the Author and their organisation.
- By submitting a Case Study, the Author and their organisation agree to these Terms and Conditions.
